A new season: Pro-Am shifts to September

After 21 years as a rite of spring at Furman, the university's annual Pro-Am golf tournament has a new date this year.

The event will take place Saturday, September 20, at the Furman Golf Course prior to the Furman-Richmond football game that evening.

Founded in 1982 by Betsy King '77 and Beth Daniel '78, both members of the Ladies Professional Golf Association Hall of Fame, the Pro-Am has grown from an original field of 68 — 17 pros and 51 amateurs — to a yearly contingent of 32 pros and 128 amateurs.

It has raised more than \$1.7 million to support the men's and women's golf scholarship endowment fund.

The move to the fall, prompted in part by changes in the LPGA tournament schedule, also signals a new direction for the Pro-Am, which will share proceeds with the Cancer Society of Greenville County.
